RESPONSE TO OFFICE COMMUNICATION

Commissioner for Patents
P. O. Box 1450
Alexandria, VA 22313-1450

February 14, 2005

Sir:

In response to the Office communication mailed January 13, 2005, attached is a complete set of drawings for the above-identified application. The attached copies of FIGS. 1 and 2 are labeled "REPLACEMENT SHEET," but no changes have been made.

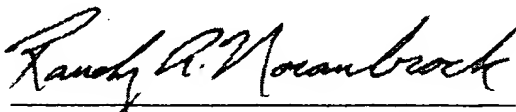

The application as filed included two sheets of drawings, FIGS. 1 and 2. The application as published included two sheets of drawings, FIGS. 1 and 2. However, in filing formal drawings on September 19, 2002, drawings from a different rights management application by the same inventors were inadvertently submitted, together with the correct drawings for the present application. Counsel sought to rectify this error on October 7, 2002, by resubmitting the correct formal drawings for FIGS. 1 and 2 with a transmittal letter explaining the error.

In addition, counsel for Applicants filed a Petition to Withdraw Incorrect Drawing Objection on June 22, 2004, and believed that no further action was required. In the interest of advancing prosecution, copies of the previously submitted correct formal drawings are attached.

Counsel for Applicants again apologizes for any confusion caused the Examiner and respectfully submits that the drawing issue has been resolved.

To the extent necessary during prosecution, Applicants hereby request any required extension of time not otherwise requested and hereby authorize the Commissioner to charge any omitted fees, including application processing, extra claims, and extension fees, to Deposit Account No. 08-2025.

Respectfully submitted,
John S. ERICKSON et al.
